# RECRUITMENT

TCD
TRAINING**CENTRE**DIRECT

PERMANENT RECRUITMENT

Ideal for: Businesses with top level positions who only want to pay on results with a replacement guarantee if they leave.

STRATEGY

One-on-One Consultation

If you need new lift staff with the reassurances that if they leave or are dismissed, you can have a free replacement without further cost, we will find you lift staff on a no-win-no-fee basis. Ideal for clients that want to only pay on results for candidates that are ideally suited to top level positions. We offer a 100% watertight lifetime guarantee to find a replacement should that person leave your employment for any reason other than redundancy.

IMPLEMENTATION

Your Job Description
A full job description is taken over the phone to discover the type of person you are looking for, location of work, salary expectation, skill set and past work experience to match your needs.

Our Online Database
We search our online and offline databases for registered candidates from the lift industry with innovative search methods of postcode/place, distance from location & any key word requirements.

TCD Lift Recruitment Centre
Incorporates a mix of a comprehensive searches of our 3,500+ registered TCD lift candidates, website advertising, targeted mailing and sourcing by lift industry contacts.

Our Candidate Interviews
We interview as many candidates for each job posting as required to ensure that you get the best person for the job, we check past references and match their strengths to your job description.

The Curriculum Vitae (CV)
CV's are totally re-written with up- to-date information that highlights their skills and abilities in what they can do for you now, and what they have accomplished in the past to match your requirements.

Candidate Details
After our detailed search and selection, we present to you our candidate with full contact details so that you can formally interview them in person.
